Business of the House.

Mr. SPEAKER.—As Hon'ble Members are aware, the voting of Demands will terminate today and the Appropriation Bill will be taken up tomorrow. From the 31st instant until the 4th April inclusive, we will have discussion on the States Reorganization Bill. On the 5th instant, a special motion regarding the Cultural Development Movement (Samskriti Prachar) of which notice has been given by 58 members will be taken up.

So far as the States Reorganization Bill is concerned, the following procedure is proposed to be adopted as in the case of the Andhra State Bill and taking note of the Constitution (Fifth Amendment) Act which makes certain changes in the proviso to article 3 of the Constitution. The first motion will be that the States Reorganization Bill, referred by the President under article 3, be taken into consideration. The annexure to the Bill containing proposals for amendment of the Constitution can also be discussed at this stage. There will be a general discussion on the Bill on this motion. After this motion is adopted, the Bill will be considered clause by clause. Only such clauses as would affect Mysore directly or indirectly will be considered at this stage. Amendments could be moved to such clauses. I request the Hon'ble Members to give notice of amendments well in time so that they may be printed and made available to members who may require time to study them. Only the amendments will be put to vote. Finally, a motion will be moved to the effect that this House approves of the Bill. If any amendments are carried such approval will be, of course, of the Bill as amended.
